## TWO WORLD'S RECORDS BROKEN AT NEW YORK

NEW YORK, Sept. 17.—Two world's records were smashed today, at the New York Press club games at the American League park, under the auspices of the A. A. U.

Jack Eller of the Irish-American Athletic club, in the 75 yard hurdle in 32.15 seconds, one second better than the time made by Lon Meyers, a quarter of a century ago.  
Con Walsh of the New York Athletic club, threw the 22 pound weight for height 16 feet 2.8 inches. The other figures were sixteen feet 3.8 of an inch, held by P. McDonald, of the same club.

## MINOR HEIR BREAKS HALF-MILE RECORD.

LOUISVILLE, Ky., Sept. 17.—Minor heir, the crack pacer, made a new world's record at the state fair grounds this afternoon, when he negotiated the half mile in the fast time of 1:01.34, which is the record for a half mile track.

## EVERYTHING READY FOR RACE MEET

Carpenters Have Put Grounds in Splendid Shape—Many New Stalls.

Everything is rapidly shaping up at the Fair Grounds for the coming race meeting which begins on Friday, Sept. 23.

A large force of carpenters have been at work for the past week, and by Tuesday the old fair grounds will be hardly be recognizable. The Four State Fair, with which the Ogden Racing association is affiliated, will have the biggest show ever given in the state of Utah, and the racing will be far ahead of anything before seen in Ogden. More and better horses will compete daily than were ever here before.

With wideawake officials at the head of the racing association, plenty of high class horses and the best starter in America officiating at the barrier, how can it help but be a huge success?

Twenty car loads, the pick of the western racing division, will arrive here on Monday from Anaconda. Besides this special train numerous express cars loaded with the cream are en route from the same place. Denver sends eight car loads on Monday and two express cars will arrive from that point Tuesday morning.

There are already some twenty-five head located here now, and that number will be increased by Tuesday morning at the latest by at least 350.

There will be plenty of bookmakers on hand for the opening, as nearly every prominent operator in the west have said they would be here and take a shy at the game.

Dr. Rowe expects to have the greatest exhibit of draft horses ever seen in a ring in the west. The sheep exhibit he also promises will surpass anything ever shown in America.

What with a continuous vaudeville performance, six high class races every afternoon, the largest horse and sheep show ever given in the west, and a hundred and one other attractions, how can be help but be sanguine of beating all former records?

Word comes from Denver that the Irwin Brothers and their trainer, A. Rick, have fallen under the ban. It appears that their racing mare, Fore, the pride of the stable, was claimed out of a selling race by the Dwyer Brothers, and Frank Irwin, who looks after the interests of the stable while his brother Charley is out on the road with the big Wild West show, refused to give her up.

Trainer Rick also refused and the officials of the Overland Racing association could do nothing else but suspend the trio off the turf. The Irwin Brothers are not in this part of the country, their horses always having the reputation of being out to win, and it is to be hoped that the matter will be adjusted and they will be restored to good standing shortly.

Parties wishing to make bids for the various privileges at the race track after the first eight days are now at the Ogden Racing association assumes full control will find General Manager Richard Dwyer at his office, room 5 Faltstalt building, any time after Monday noon.

Horsemen are requested to register their horses and make out applications for badges as early as possible and to hand same to S. J. McGibben at the track not later than Tuesday noon.

J. J. Marklein, a well known horseman of the east, will ship his string from Denver on Sunday. Mr. Marklein is a well known character east of the Rockies, but this is his first appearance in Utah.

As both Presiding Judge Skinner and General Manager Dwyer are the sworn enemies of the turf, the country had better give Ogden a wide berth during the fair and racing season.

Wanted—Twenty laboring men wanted today (Sunday) at the Fair Grounds. Come as near 8 o'clock a. m. as possible.

## OLDFIELD LOWERS HALF-MILE RECORD

Barney Breaks Former Half-Mile Track Record in 104.45.

TOLEDO, O., Sept. 17.—Barney Oldfield today lowered the world's automobile record for a mile on a half-mile circular track from 1:06.6 to 1:04.45. Oldfield's former record was made at Findlay, O., last year.

BASEBALL IN BERLIN.

## DEPALMA LOWERS THE MILE RECORD

Breaks Three Track Records at Syracuse—Mile in 48.45 Seconds.

SYRACUSE, N. Y., Sept. 17.—Three world's track records were broken by Ralph DePalma in his ninety-horse power Flat here today. He twice broke the mile record for a circular track, formerly held by Barney Oldfield.

He made the first in 49.45 seconds and the second in 48.45. He lowered the record for five miles, 24 seconds, held by him, to four minutes 11.45 seconds.

## REAGAN SIGNS TO MEET M'GOVERN

Boxing Contest Will Be Held at the Fair Grounds October 7.

Jimmie Reagan, who on Wednesday signed with Gene McGovern for a 20-round boxing contest, will leave tomorrow for a week's hunt in Ogden canyon. After a week of mountain climbing, the bantam pugilist will begin his actual training for the bout, which is scheduled for Oct. 7.

According to the agreement, which the boxers have signed, the winner is to take 75 per cent of half the gate receipts, and the loser 25 per cent.

The title of champion bantamweight of the intermountain country goes with the large end of the purse, and the winner will be in line for a bout with one of the celebrities of this class. The contest will be called at 5 o'clock in the afternoon at the Fair Grounds, and the men will weigh in at the required 122 pounds at the ring side.

The bout will be staged under the direction of Roy Shumway, who has successfully promoted several battles in Ogden recently. The contest will take place in the main display building at the fair grounds, which will be completely remodeled and made into a modern arena, with a seating capacity of 3,000.

The remodeling of the building is

to be permanent in order that Mr. Shumway may use it for his monthly boxing bouts during the winter.

During the first week in October the race meeting at Ogden will be in full blast, and it is expected the attendance will be much heavier than usual because of the number of track followers in town at that time. A special train will be run from Salt Lake to Ogden for the battle, and it is expected that a large number of Salt Lake fans will witness the fray.

Both Reagan and McGovern are known as fast and rough scrappers, and the fans are looking forward to a fast and interesting contest.

Reagan will train for the mill at the Sanitarium, with Kid Harrison, a near champion in the lightweight circles, who trained Reagan during his preparation for the Peanut Sinclair match, as chief sparring partner and trainer.

Reagan stated yesterday afternoon that he does not believe McGovern will be able to last the 20 rounds, although he thinks the Milwaukee lad will make a better showing than did Sinclair.

McGovern has already started light training in Salt Lake City, doing light gymnasium work each day, and a good stiff amount of road work each morning. He will round into the finest condition possible, intending to get the best that is in him for this bout.

He respects Reagan's ability as a boxer, and asserts confidently that he will win with something to spare.

The little Milwaukeean is tickled beyond description at the thought of meeting Reagan, and calls it a stepping stone in his career. He states that Conley, Wolgast, Webster and other good men on the coast have refused to meet him with the usual excuse that they have "everything to lose and nothing to gain," but that now, if he defeats Reagan, will be able to demand recognition from the men who happen to be on top.

## BIG BENEFIT FOR PETE SULLIVAN

Well-Known Boxer Is in Salt Lake Hospital Suffering With Typhoid Fever.

A benefit vaudeville performance will be given at the Salt Lake theatre Thursday for Pete Sullivan, who is in the St. Mark's hospital in Salt Lake in a very low condition from a severe attack of typhoid fever.

The show will be a good one, having several acts from high class vaudeville on the program. Gene McGovern has been asked to appear in a fancy boxing stunt, and it is almost assured that he will participate.

While Sullivan's condition is quite serious, it is said by Dr. Sprague, who is attending the pugilist, that his recovery is certain.

Sullivan is well known through the intermountain country, having spent a large part of his boxing career in this section. He has fought all of the good ones in his class and has always boxed in that honest, aggressive manner that wins a permanent place in the memory of the fight fans.

## RETURN FROM IDAHO TRIP

County Commissioner Moore, Dell Madison and Chris Aadnason Inspect Mine.

County Commissioner Frank Moore, Dell Madison and Chris Aadnason have returned from a two weeks' sojourn in the Salmon river district, Idaho county, and they report things there to be in splendid condition.

The gentlemen own some mining property in that region and they visited the grounds for the purpose of determining if possible just how much they are worth.

The commissioner says he is modest about telling of his own wealth, but he is satisfied with the showing at the mine, and if it were not that he is elected for a continued term as commissioner he would not care the snap of his finger whether he ever held a political job again. The other boys appear to be just as rich as Mr. Moore.
